

GOLD MODULE: STRATEGIC MANAGEMENT

OBJECTIVE

To apply the Gyronix System as a professional management tool in conjunction with your colleagues, teams or clients. This includes the effective management of key relationships and setting up projects for assessment against strategy to reflect set targets and measures.

BENEFITS, OUTCOMES AND ACHIEVEMENTS

As a professional responsible for others, be that colleagues, teams or clients, the benefits are multiple, including:

- ✓ Accurately managing team activity in terms of the relationship of 'what you owe' and 'what is owed to you'
- ✓ Specifically describing and setting up projects to assess project performance against strategic criteria and targets
- ✓ Innovatively applying the category options to group data to achieve customised results
- ✓ Managing multiple projects and ensuring that each team focuses on the Priority 1 issues and activities whilst keeping all other activities on the collective radar and under control
- ✓ Converting strategies into SMART, actionable plans for self completion and/or effective delegation
- ✓ Generating and distributing dashboards for joint activities
- ✓ Prioritisation of activities and strategically planning for the next week/month using the Power Review mode for and with your key relationships
- ✓ Dramatically improving the way you work and interact with all your key relationships; increasing commitment, trust and performance across the team

TRANSFORMATIONAL BUSINESS DEVELOPMENT

- Enables online learning and development as you actively work through the agenda with a Gyronix coach
- Every two hour session includes direct contact time for discussion, coach advice, and feedback
- Breakout sessions give you the opportunity to check your understanding and learning stage by working on your own on a specific task
- After each breakout, you and your Gyronix coach rejoin the online meeting for questions, feedback and further advancement of progress
