

# THE GOLD MODULES – ADVANCED APPLICATIONS

## OBJECTIVE

To enable professionals with a good knowledge of the Gyronix System (MindManager and ResultsManager) to further enhance the results and benefits for specific applications. The Gold Modules are directly aligned to strategic objectives, long term corporate targets, and integrated project management. They take the benefits gained from applying the Gyronix System to individual and multiple projects, to corporate level management.

## OVERVIEW

### Power Reviewing

- ✓ Apply the Gyronix System to your **strategic review process** and **continuous system improvement programme**
- ✓ Create a unique Review Dashboard perspective of your entire workload and effectively identify work overloads
- ✓ Re-prioritise, delegate and re-negotiate activities
- ✓ Set realistic start/ 'activation' dates for critical projects and activities
- ✓ Only be presented with a review of current priorities and reminded of future projects when the established start date is reached
- ✓ Effective weekly and monthly review will become one of your most powerful management tools

### Strategic Management

- ✓ Use the Gyronix System both as a management tool for yourself and in conjunction with your colleagues, team or clients
- ✓ Effectively manage your key relationships e.g. improve productivity in terms of tracking work you owe others and others owe you and keeping your team focused on Priority 1 projects and activities
- ✓ Track and update delegated activities
- ✓ Set up your projects for assessment against strategy by producing dashboards which specifically reflect set targets and measures

### Collaboration and High Performance Teams

- ✓ Integrate the Gyronix System into a **team environment**
- ✓ Create joint-collaborative, work-in-progress maps which are generated for **team best practice** and **action and review**
- ✓ Achieve clarity on issues, improved communication, consensus, collaboration and commitment to activities
- ✓ With only one version of a project plan, your team will have immediate access to the latest updates, resulting in greater team productivity, savings in time, resources and money
- ✓ Maximise the time the team spend getting work done and minimise administrative and planning/updating functions

### Results Driven Meetings

- ✓ Dramatically improve meeting efficiency using the Gyronix System with a team, colleagues or clients
- ✓ See the benefits in the capture of thoughts; clarity of outcomes; recording of actions and feedback; gaining commitments to actions and ensuring a common understanding of meeting objectives and targets
- ✓ See high levels of improvement at every level of the meeting process from planning / review of the last meeting, to facilitating the meeting, taking minutes and follow-through

### Power Dashboards for Tailored Results

- ✓ As an advanced user, customising dashboards for your own applications is a crucial requirement
- ✓ Create dashboard maps that tell you exactly what you need to know, in a format that suits your requirements for both action focused dashboard maps and management review dashboard maps.

## THE GOLD MODULES WILL TRANSFORM YOUR BUSINESS DEVELOPMENT

- Enable online learning and development as you actively work through the agenda with a Gyronix coach
- Every two hour session includes direct contact time for discussion, coach advice, and feedback
- Breakout sessions give you the opportunity to check your understanding and learning stage by working on your own on a specific task
- After each breakout, you and your Gyronix coach rejoin the online meeting for questions, feedback and further advancement of progress
